

propel

ideas into businesses

**You provide the idea... we'll provide
office space, a year's salary, a mentor
and all the business know-how you will
need to make it a reality.**

propel
ideas into businesses

 **ENTERPRISE
IRELAND**

Ever thought about being your own boss?

Propel could make this happen
by providing:

- Financial support of up to €30,000
- Specialised expertise and mentoring customised to your needs
- Hot desk facilities
- Best in class business start-up training
- Access to potential investors
- Access to local and global contacts and networks

The Propel Programme is run by Enterprise Ireland and is designed to provide ambitious entrepreneurs with the necessary business skills to establish a successful global business. Propel will run for one year and is open to entrepreneurs currently located, or planning to locate, in one of the six border counties of the Republic of Ireland - Cavan, Donegal, Leitrim, Louth, Monaghan or Sligo.

If you think you have the idea for an export focused business, then talk to us today. Places on this programme are limited, so enquire without delay.

Final date for receipt of applications is 24 April 2009.

**If you have an idea for a new
innovative business with export
potential call (01) 605 9180**
